HALLMARK 1975

Rowland Hall-St. Mark's School
205 First Avenue
Salt Lake City, Utah

Life sings in our silences, and dreams in our slumber.
Even when we are beaten and low, Life is enthroned
and high. And when we weep, Life smiles upon the day,
and is free even when we drag our chains.

Kahlil Gibran

THE CAMPUS

SENIORS

The graduating class of 1975 has reached out and touched life in almost every sense. They have seen the strongholds and pitfalls of past graduating classes, and have incorporated this knowledge into their own ideals and beliefs. Each senior is eager to face the challenge of tomorrow with confidence.

"Cheshire Puss," she began rather timidly, "would you tell me, please, which way I ought to go from here?"

"That depends a good deal on where you want to get to," said the Cat.

"I don't much care where -" said Alice.

"Then it doesn't matter which way you go," said the Cat.

"-So long as I get somewhere," Alice added as an explanation.

There'll be crocuses to bring to

Just a little green
Like the nights when the Northern

There'll be icicles and birthday

Sometimes there'll be sorrow.

STUDENT BODY

Rowland Hall-St. Marks gives every student the opportunity to broaden his individual horizons. Through personal learning experience and active group participation the schools unique system allows each student to express and develop his own ideas. RHSM has had a profound influence on each of it's students, both past and present.

SEVENTH GRADE

In spite of a distinct lack of appreciation for the incredible talents of the seventh grade class, we realize, and are totally convinced of our great value. We appreciate the privileges, and accept the responsibilities of the upper school. We are certain that the contributions of our class will be significant to Rowland Hall-St. Marks in the years to come.

BOARDING DEPARTMENT

The Boarding Department is a very strange, and to say the least, a most unique place to live. The boarders, ranging in age from thirteen to twenty one, hail from such exotic lands as Saudi Arabia, China, Mexico, and the continental U.S. Living in this close community, where a mild sort of hysteria runs rampant, offers a chance to understand many different kinds of people. Mr. and Mrs. Turpin, the houseparents, along with Bill Paterson and Anne Worthington, their assistants, lend a helping hand to those that need it. In the long run, everyone joins in the odd antics that make the B.D. a diversified unit.

NEWSPAPER DRIVE

In order to raise funds for the yearbook the Hallmark staff sponsored a newspaper drive. As an incentive a prize was awarded to the class which brought in the largest amount of papers. The newspapers that were collected totaled four tons. Although weighing and moving four tons of paper was hard work, the project was a contribution to the ecological movement and a profit to the yearbook.

CHAPEL

A time of peace, solitude, and meditation before the mad rush into school. Although chapel is no longer mandatory, it is still an integral part of the school community. Communion is served every Friday morning by Father Walter Ellingson.

FORUM AND ASSEMBLIES

Either a Forum or an Assembly was presented to the school each Wednesday during Activity period. The Assemblies were an attempt to acquaint the students with the world around them. Subjects ranged from Hypnotism to government. Forum was a time when students and teachers got together to relate their opinions on topics relevant to the school community. Assembly and Forum provided both entertainment and intellectual stimulation for the students.

STUDENT GOVERNMENT

Human Relations: Dana Bovee, Chairman; Left to Right: George Fox, Kimberly Henneman, Sarah Ellingson, Dana Bovee, Bill King

RHSM's government allows each individual a voice in every aspect concerning the school community. It is divided into five committees made up of a faculty advisor, representatives from each class, and a senior chairman. The committee chairman along with Mr. Purdy and Mr. Koetter make up the Executive committee. The chairmen are: Cathy Ama, Social; Kris Hammond, Forum; Roberta Young, Education; Lawrence Mason, Finance; and Anne Chavre, Human Relations.

Finance: Lawrence Mason, Chairman; Left to Right: Steven Kerr, James Maddock, Don Parkins, John Stringham

Education: Roberta Young, Chairman; Left to Right: Capt. Smith, Justin Blackmore, Roberta Young, Rae Ashton, Garth Gwinn, Gilbert Shelton

Social: Chairman, Cathy Ama; Left to Right: (top) Emily Legge, Rebecca Turpin, Jennie Wait, Helen Mulder, Becky Bynam, Lauren Glasgow, Merri Newman, Cathy Ama, Bill Welch

Forum: Kristian Hammond, Chairman; Left to Right: Steve Lawrey, Steven Bauter, Leah Skien, William Mudler

BASKETBALL TEAM

This year was a very exciting year with only a rookie team. The guys proved to be pretty good with a 4-5 season. The team consisted of; Major Johnson, Steve Lawry, Bill King, Bill Welch, Jim Maddock, Lawrence Mason, Gibby Shelton, Nam-Ping Wong, Jose Usle, and Jeff Johnson.

INTERIM

During the month of January a two week intensive study program was launched in which students and teachers participated in a variety of activities. Students went to Mexico, Montreal, San Diego, St. George and the mountains. The program was one of the highlights of the year for students and faculty both. It gave students the opportunity to choose an area of study, and really concentrate on it. Interim was a constructive and enjoyable learning experience for all those involved.

Mexico Field Study

The ecology field study trip to Arizona and Mexico, run by Mr. Cooley, was, for all, a true learning experience. Between eating the best food around and singing folk songs all night the eleven students were able to observe and speculate on the life found in both desert and intertidal zones. All were enlightened and given a first hand knowledge of the variety of life in the world.

Blue Water Sailing

Students accompanied by Capt. Smith, Mrs. Bradley, and Mr. Koetter spent twelve days in the San Diego area in order to increase their skills in Blue Water Sailing. The group resided at two Naval bases, where several military personnel contributed their time and experience to better acquaint the students with sailing techniques. The group also explored the many educational and cultural facilities available in the city.

Montreal Trip

Several French students, accompanied by the French teacher, Mrs. Dalrymple, flew to Montreal in order to get a first hand knowledge of the language and culture available in that area. They made a short stop-over in Chicago where they took advantage of the many sights provided there.

All students agreed that it was an educational and exciting experience.

Winter Mountaineering

A course in Winter Mountaineering was taught by Mr. Lewis. Students were instructed in the special techniques involved with winter camping. The group went to hike and camp in the snowy mountains for first hand experience.

Folklore

"Killed by Indians", read the sandstone marker standing in Grafton, a ghost town along the Virgin River in Southern Utah. Members of the group studying local history and folklore during our Interim Program travelled to St. George, re-enacting the journey made by Father Escalante in his search for a route to the Pacific. The lonely grave was evidence that it was a life of hardship and risk. Students visited Cove Fort, Jacob Hamlin's home, Silver Reef; a once roaring mining town, Snow's canyon, and Zion Park, making western history come alive by being on the very spot.

...and Back at School

While many RHSM students were travelling during the Interim period there were others who chose to take advantage of the many educational experiences offered in the city and school.

Several projects were offered to students in Salt Lake. Mrs. Gibbs directed a music seminar in which musicians were brought to the school so as to acquaint the students with local music and different musical techniques.

Media, taught by Mrs. Clark, was a class in which students learned to be more aware of the techniques used in the making of a film. The students produced, directed, and edited their own films. The task was so lengthy that it was carried over into the school year.

Debating was the concern of another class. Mrs. White took her class to debate in different tournaments in and around the area.

Fourteen other students volunteered their time to the Primary Childrens Hospital, where they served as classroom assistants in the out-patient education program. Several students have continued their volunteer work.

Students who remained in the city agree that Interim was a valuable learning experience.

WINTER SPORTS

Every Friday afternoon in the winter, students had a chance to participate in a variety of activities for the Winter Sports Program. Busses brought students to Park City in order to receive ski instructions and enjoy the snow; Mr. Dalglish also conducted cross-country skiing. Hygeia Skating Rink was the center for energetic skaters and hockey players. For those who chose to bowl, they would do so at Se Rancho Lanes, and for the racket set, tennis instructions were provided at the Salt Lake Swimming and Tennis Club. The Winter Sports Program has always been a major activity in the school, providing a break from the regular school day.

RUMMAGE SALE

It has always been a tradition at RHSM to raise funds for the yearbook, this year being no exception. The staff and volunteers diligently worked on a rummage sale open to members of the community and school. Everything from toasters to old Saks Fifth Ave. dresses, to used furniture, to tape recorders and miscellaneous gaudy items were sold. It proved to be a success, but sure didn't cure aching backs!

SCIENCE FAIR

In February the annual Science Fair was held in which students competed in Upper and Lower divisions. Students worked on scientific projects, then entered them in the Fair. Winning projects could later be submitted to the Metropolitan Science Fair.

EVALUATION

March 12th and 13th marked two very important days in the history of Rowland Hall-St. Mark's. The State Board of Education evaluated our school for the process of re-accreditation.

The various evaluators, from schools within the Salt Lake area, attended a dinner, visited classes, talked to students and faculty, and read our self-evaluations. Then they summed up their results for us, providing insights as to our strengths and weaknesses. All in all, it was a very illuminating experience.

HOME & SCHOOL ASSOCIATION

Patrons of RHSM perform many functions which are vital to the function of the school. Much of the fine reputation RHSM enjoys is due to the enthusiasm and assistance of the parents whose children attend RHSM.

Major areas of parent involvement are the various fund raising activities held by the school. Among recent projects sponsored by the Home & School Assn. were the annual Cocktail Party, the Bazaar, and a rummage sale in downtown Salt Lake. These activities are financially beneficial to the school, but they also serve as social gatherings for the parents, administration, and friends of RHSM.

Members of the H & S Assn. Executive Board this year are Mrs. Boyd Henri, President; Mrs. Gilbert Shelton, first Vice President; Mrs. Ray Houck, second Vice President; Mrs. Richard Faldmo, Secretary; Mrs. Harold Anstall, Treasurer.

ALUMNI ASSOCIATION

The 1974-1975 president of the RHSM Alumni Assn. is David E. Nelson, Class of 1961. Also elected to the Alumni Board were: Mrs. Jack Horton (Margaret Keyser, Class of 1934), Vice President; Mrs. Alden G. Roach Jr. (Jody Ray, Class of 1958), Recording Secretary; Mrs. A.P. Kibbe (Evelyn Ryberg, Class of 1937), Corresponding Secretary; Charles (Chuck) Hamer Culp, (Class of 1964), Treasurer; Steven Shaen Carter (Class of 1973), Director at Large; and Roberta Young represents the Senior Class of 1975, Director at Large. Ex-officio member is William M. Purdy, Headmaster and Honorary Member is Elizabeth T. Corr, former Headmistress.

IN MEMORIAM

Lori Moore

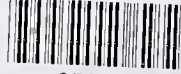

December 13, 1958-April 13, 1975

So many faces
Some happy
Some sad
Some care
Some never have
Of all the faces,
I wish I'd see
A face out there
That would care for me.
